DEDICATION

In recognition of their total of 117 years of loyal service to E.H.S. and its students, we of the Sequoia Staff wish to dedicate the 1955 Sequoia to four people who will no longer be with us after this year.

After twenty-six years at E.H.S., twelve of them as principal, MR. GLENN GUTHRIE is retiring this year to enter the business field.

MR. GUTHRIE will long be remembered for his geniality, his fairness, and his work in behalf of all of us.

He will be missed by all, and we wish him the best of everything in the future.

For thirty-five years as a teacher of physics, chemistry, math, and science, MR. GEORGE MORGAN has been outstanding. Before coming to E.H.S. he taught in Nevada, and Berkeley, California. MR. MORGAN has a wonderful hobby in lapidary, at which he will be able to spend much more time after this year.

What would a school be like without someone to keep the rooms, halls, and staircases clean? MR. GORDON BROWN, or "BROWNIE" as he is known to everyone, has been the jack-of-all-trades at E.H.S. since July, 1935. Students will miss his cheerful help. He plans to do lots of fishing and hunting now in his spare time.

After forty years of teaching, thirty-six years of which she served on the E.H.S. faculty, MRS. EMILY JACOBS resigned in August.

In addition to teaching, she served as advisor to the senior class, and the local chapter of the California Scholarship Confederation and other school clubs. Before joining the E.H.S. staff in 1918 as a Latin teacher, MRS. JACOBS taught in the Sacramento Valley for four years.

EDITOR'S MESSAGE

June 9, 1955

Hi Everybody!

As you look at this many years from today, I hope you will still be able to remember all the laughter that was shared throughout our three years of high school.

On the following pages my staff and I have reproduced many happy memories. Without your help and backing it never could have been done.

Thank you for your time. I sincerely wish each and every one a pleasant and successful future. God bless you!

Sincerely,

Editor 1955 Sequoia

THROUGH THESE PAGES YOU WILL SEE

Drama students discover that acting isn't the only thing the Drama class does. Sets must be prepared, which means old paint must be washed off in preparation for the painting of new scenery. Engaged in this task here are, left to right: Dean Cleveland, Karen Wilkenson, Ray Dellabalma, Brian Buster, and Pauline Summers.

At an A Cappella practice session, the girls sing the melody as the boys hum. This group is led by Mr. Tom Hibdon and presented the annual Christmas Concert and sang at at other school events.

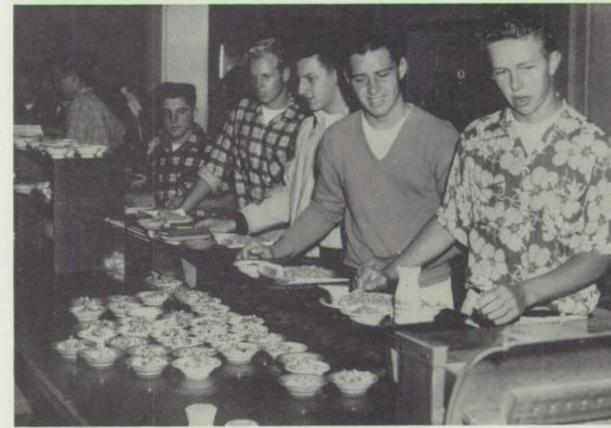

Catering to the sweet tooth were the band members who sold sweet stuff at their candy counter every lunch period. We see Charles Lyons and an unidentified girl buying candy from Tom Bradford and Judy Hudson.

US AT WORK AND AT PLAY . . .

The Bark staff went on the air for the first time this year presenting a five minute news cast over station KHUM every Saturday. In addition to the news, records chosen by the students were played. At the mike here are Sylva Adkins and Gene Smith.

As the noon bell rings every day the cafeteria becomes loaded with hungry Loggers. Anxious to get at the good food dispensed by the cafeteria staff were both Junior and Senior high students. In line in this picture are: Russ Bradford, Ron Trigo, Alex Rynecki, Jim Carlson, and Paul Thompson.

The print shop was always busy printing the Junior and Senior high school newspapers, forms for the school offices and bulletins issued by the city schools office. The two linotype machines were hardly ever allowed to cool off. Giving Ken Howard, a junior, a few pointers is the shop instructor, Mr. Art Sparks.

HAROLD W. ADAMS Superintendent

Superintendent of Eureka City Schools for the past eleven years, Harold W. Adams has adequately and successfully carried out plans proposed by the Board of Education, concerning methods of improving our school system.

Superintendent Adams journeyed from Corvallis, Oregon to take over his present post in 1943, when the city schools had 3,000 students attending. Since then that number has more than doubled and he has 273 teachers under his direction at the present time.

The sincere and energetic work which has been done by Superintendent Adams is fully appreciated by everyone connected with the city schools and especially so by the students who have profited from his able leadership.

ADMINISTRATION

The members of the Board of Education for the school year 1954-55 are: (left to right) J. Thomas Fraser; H. W. Adams, Superintendent of Schools; John L. Argo, Business Manager; Mrs. Vera Hartloff, President; Leonard L. Wilcox; Sylven Lasell; and Albert Miles.

Mr. Glenn Guthrie, twelve years principal of our school, is retiring this year, after a long period of teaching and being principal.

Mr. Guthrie has done an exceptionally good job. He has helped to keep our school among the best, and he has made the standards of the students higher.

The staff, on behalf of the Student Body, wishes him the best of luck.

OFFICERS

STUDENT COUNCIL

MR. C. REID Advisor

The Student Council transacts most of the business of the student body. The student council this year met every Monday and rotated periods for their meetings. This gave the council a full hour, in which to transact business rather than the half hour they had previously.

The main project of the council this year was the re-writing of the Constitution. They also made an amendment to the By-laws, which made the swimming team members eligible to receive block "E's" for the first time.

MISS M. SMITH Advisor

Third row: Beverly Wood, Gail Allen, Joanne Phifer, Jo Ann Roberts, Art Dalianes, Ronnie Brown. Fourth row: Karin Dahl, Bud Freeman, Jean Spadoni, Mari Morris, Joan Stempka, Jere Johnson, and Jacky DiBene.

Also on the council but not in the picture are: Gloria Eastman, Alice Hamblock, Irene Van Horn, Bob Snyder, and Wayne Emery.

SEQUOIA STAFF

First row, left to right: G. Eastman, J. DiBene, J. Elliott, G. Becker, B. Fisher, S. Thompson, J. Branaman, and P. Stark. Second row: J. Sintic, D. Cochran, D. Minnie, and Mr. V. V. Arnautoff.

Fun and hard work go into the making of a year-book. The Sequoia Staff put in many hours and got a lot of fun out of putting together the 1955 Sequoia.

PUBLICATIONS

The yearbook plays an important part in every high school student's activities and serves as a pictorial record of the many memorable occasions of his school years.

The editor for this year's annual was Pat Stark.

The staff, shown at right, are working on copy for publications.

QUILL AND SCROLL

Quill and Scroll, an international honor society, is composed of experienced journalism students with high scholastic standing.

Members of the Quill and Scroll pictured at left are: First row, left to right: Pat Stark, Joy Branaman, Jacky DiBene. Second row: Gloria Eastman, Art Dalianes, Betty Day, Mr. V. V. Arnautoff.

QUILL AND SCROLL

Among the highlights of some of the activities of this organization was their trip to the Pacific Slope Press Conference, at Seattle, Washington.

The first Talent Show of the year, entitled, "New Faces," was among the moneymaking projects, presented by this group.

Shown at the right is the banner used to publicize their show.

To the right we see our band majorettes. First row: Eleanor Nelson and Marlene Rustmeyer. Second row: Mary Senn and Genevieve Lindstrom. They have been faithful in entertaining the rooters for both football and basketball home games. Below is the E.H.S. Band in their formal dress while entertaining at one of the student body meetings on March 3. During the first semester they had the candyselling concession at lunch time in the basement of the main building. Among other activities was their trip to the East-West game. They headed the fourth division and took part in the half time festivities.

GIRLS' GLEE

The Mixed Chorus and Girls' Glee have done a wonderful job this year to bring entertainment throughout our community and in our own school. These two choirs are under the direction of Mr. Tom Hibdon. The Girls' Glee appeared at the Masonic Temple and sang for the Shriners and the Masons. The Mixed Chorus and Girls' Glee also sang at the annual Spring Concert held in the gym at Humboldt State College.

The concert again was a big hit, and drew favorable comment from the townspeople who attended.

AGRICULTURE STUDENTS

Down at the livestock barns of the Humboldt County Fair we observe the weighing in of the sheep. Albert Norton is doing the actual weighing while our agriculture advisor, Edmund Barmettler, is doing the recording. The other Eureka boy observing the procedure is Walter Bertalla, the president of our local F.F.A.

Walter Bertalla, second boy from the left, awaits the judge's decision at the sheep showmanship contest at the Humboldt County Fair held in Ferndale. He is the only boy from Eureka who took part in the event.

The Eureka High School Agricultural building is the scene for this picture where Eddie O'Neill is being instructed of the correct use of the DC welder. The instruction is being given by agriculture advisor, Mr. Ed Barmettler. Eddie is working on the finishing touches of a hog watering trough. When you think of agriculture you think of growing things but a person in this field must also know about the major parts of his machinery and how to repair them if necessary.

LEARN FARMING

The Ninth District Fair held at Redwood Acres last summer is the setting for this award for herdsmanship which is being given to Walter Bartalla, a member of our F.F.A. organization. The award is being presented by Mr. Ralph Barns who is the Secretary Manager for the county.

Knowing the parts of your machinery and how they work is a very important thing. Here we see James Mott getting some information on the air brake which he is planning to use in his stock trailer which is one of his major projects of the year. Giving the instruction is agriculture advisor, Mr. Ed Barmettler.

Shown above are the members of the Drama Club. On the left are a few of the members being briefed on the play they were to present April 2. In the lower left are the members of the executive board who are, left to right: Dick Minnie, Jan Smeltzer, Glena Tripp, Jerrie Kennedy, and Mr. Leon Pike, director. The picture in the lower center shows Jan Smeltzer rehearsing her part in the spring play "Jenny Kissed Me."

DRAMA

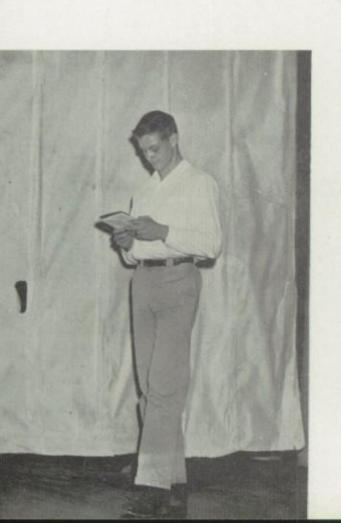

Shown above are, left to right: Charles Connell, Myrna Robbins and Denny Cleveland rehearsing for the spring play. On the right are a group of girls discussing the costumes they are to wear. In the lower right something seems to have struck these drama people funny. The picture in the lower center shows Charles Connell at one of the rehearsals.

CLUB

SOCIAL COMMITTEE—Chairman Kay Carlson and Co-Chairman Louisa French. The purpose of this committee is to plan the social events of the school year. Their largest project is the Sweetheart Ball which is usually held in the first of February. Worthwhile projects done by this committee include working with the cerebral palsied children, planning and giving a talent show, and giving a tea at the teachers' meeting.

GIRLS' LEAGUE

DECORATION COMMITTEE—Chairman of this committee is Lynn Cannam. The main function of this committee is to do any decorating that the Girls' League as a whole may have them do. Miss Patricia L. Stark, Editor 1955 SEQUOIA Eureka High School Eureka, California

Dear Editor Stark:

It was a pleasure to judge the beauty section of the 1955 SEQUOIA!

The contestants were all very attractive and it was difficult to choose between them. My selections are based on (a) features and contours of the face, (b) alertness and apparent intelligence and (c) feminine charm. Naturalness, not glamour, is my criterion of a young lady's attractiveness.

I have chosen Miss LESLEY SHORE as the #1 winner. The runners-up are: Miss SANDRA ROBINSON, Miss SHIRLEY THOMPSON, Miss MARTHA FEELY and Miss JUDY HORNTVEDT.

Please extend my congratulations and best wishes to the winners, all the contestants and to your fellow staff members.

Sincerely,

JOHN ROBERT POWERS

Marilee Ammer (center) was chosen to reign as Queen for this year's carnival. The princesses were (left) Nancy Hadley, second place; (right) Lesley Shore, third place.

Here is one of the many concessions that were seen at the P.T.A. Carnival. Through these concessions the organizations that participate raise money for various projects.

JAY WILLARD Coach

Well, it happened again! The second time in three years we went against all opponents and came out undefeated. This also means we won the Humboldt-Del Norte C.I.F. championship.

The starting team was composed of seniors except for Fred Sheffler, center; Don Carson, halfback; and Richard Mayo, quarterback. These three also made all-county along with Mario Toso, guard; Charles Anderson, end; Allen Shrader, halfback; Bob Renwick, tackle; and Bob Snyder, tackle.

The team should be congratulated on their outstanding sportsmanship. It is one of the best teams Eureka has ever had.

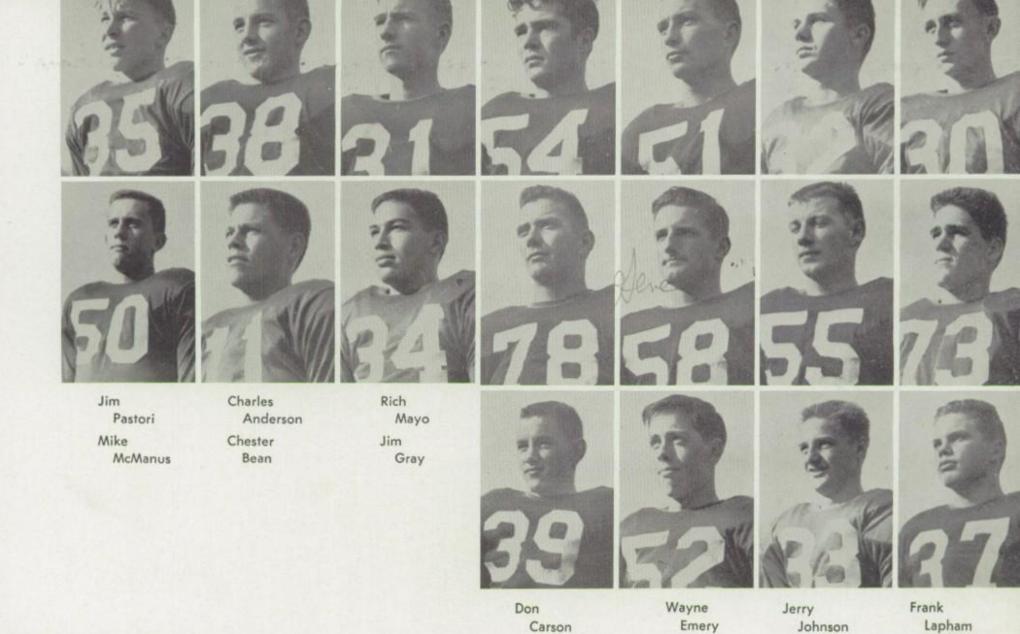

The success of the season was a tribute to the fine leadership of Jay Willard, who ended his twenty-eight year coaching career this year. His patient, understanding manner will be long remembered by everyone he has worked with.

They are: first row, sitting left to right: Bob Snyder, tackle; Rich Mayo, quarterback; Allen Schrader, halfback. Second row: Charles Anderson, end; Don Carson, halfback. Two others E.H.S. stars were placed on the second team. They were Don Carson and teammate Bob Snyder.

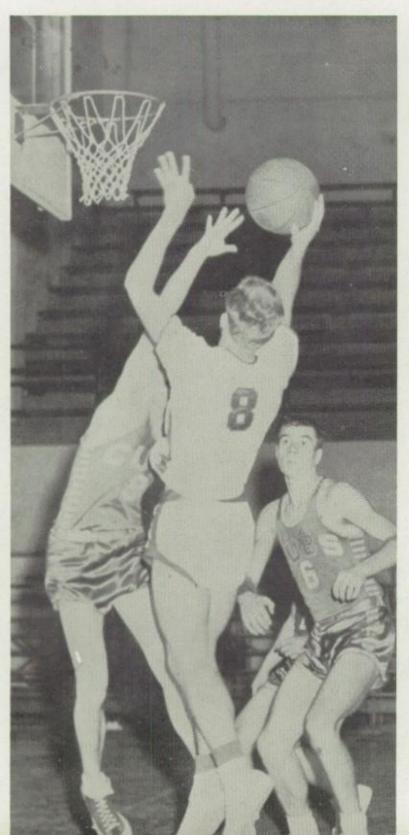

THE EUREKA HIGH SCHOOL JUNIOR VARSITY, under the expert coaching of George Lee and Ralph Bumpus came out on the long end of a three-one record. HEAVIES RUSH INTO FIRST-PLACE TIE

Closing the season with a terrific surge after a soso season the heavyweight Logger hoopsters joined Arcata, Fortuna and Ferndale in an unprecedented fourway tie for first in C.I.F. league standings. Never within anyone's memory have more than two teams shared top honors simultaneously. Not since approximately 1935 has there been a playoff. At yearbook deadline time it had not yet been decided whether or not a playoff will be run to determine an undisputed champion.

Overall, the heavyweights' record stood 10 won, 6 lost. Of the 10 victories, 4 came in the crucial final games of the season when the Loggers found themselves and the hoop.

Coach Len Longholm has reason to be proud of his whole squad, and especially of the starting five: Jim Hadley, Mario Toso, Bob Snyder, Bob Crawford and Lars Frederickson.

LIGHTWEIGHTS WIN CHAMPIONSHIP EASILY

Sporting a streak of 13 consecutive victories the little Loggers easily showed themselves to be the class of the league taking undisputed possession of the C.I.F. crown they shared with Fortuna's Pups last year.

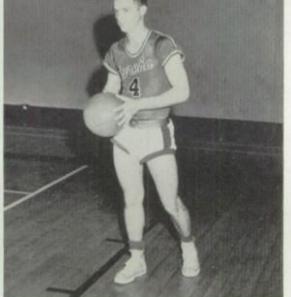

Only two defeats, the opener to Medford, and the next to last game to Ferndale, marred a perfect season.

Logger sharpshooters, led by Rich Mayo and Mike Goyan, were unbeatable, averaging 53 points per game for 16 games.

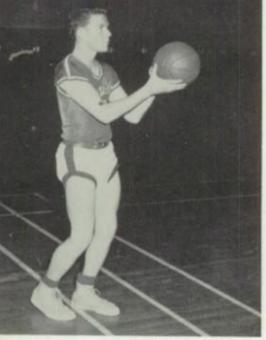

Making Coach Mark Melendy's first year at the Lightweight helm a successful one was a smoothworking first five composed of Rich Mayo, Mike Goyan, Jim Long, Dave Pope, and Jack Eisel.

Championship honors in the C.I.F. League went to the Logger baseball squad in the spring of 1954 for the first time in seven years. The Loggers gave coach Bill Ziegler as successful a first year as anyone could wish for.

All but three of the 1954 first string returned this year. The squad lost Ralph Mayo, Harold Goselin, and Bob Buckenberger through graduation.

He is now coaching at Belmont High School in Belmont, California.

Though we've lost a fine track coach we wish him lots of luck in his new position.

Coach Olsen on his departure was given the baton which the "B" relay team carried to a new county record.

LIGHTWEIGHT TRACK TEAM—First row, left to right: Ron Davis, Wayne Smith, Bill Ray, Mike McManus, Mike Welch, Dennis Crowe, Darrell Graham, Fred McLearn. STUDENT STYLES 1954 - 55

The most popular fashions and styles for this school year were both colorful and eyecatching.

The boys had decided upon the "crew cut." The girls said, "The shorter the better," for hair styles. However, toward the end of the year hair began to be worn longer.

The colorful "gaucho" shirts began appearing in various pastel shades such as pink, lavender and white. Sweaters were at the top of the list for the girls.

Unpressed pleats formed soft and graceful lines in the skirts. "Pegged" cords and denims to match their shirts were all the rage with the boys.

For shoes the boys made bucks and suedes their most popular and the girls continued with the traditional white leather oxfords.

All in all, it was a colorful year.
